Application Deadline

- 15 October 2017 at 3 pm for spring Semester 2018
- For instructions on how to apply, please visit www.uta.fi/admissions/how-apply
- The online application form is available on our website during application periods
- For practical information on studying and living in Tampere, please see the website for admitted students at <http://www.uta.fi/admissions/admitted-students>

Academic Calendar

Spring Semester 2018

Period III 8 January – 4 March
Period IV 5 March – 27 May
Arrival day for exchange and visiting students: 2 January
Orientation course: 2 – 5 January
Enrolment: During the Orientation Course
Summer vacation: June – August

Orientation Course

The Orientation Course is free of charge and it is compulsory for all new students. It is organised at the beginning of the semester. During the course, students will hear about studying at the University, student life and services for students in Tampere. Further information: www.uta.fi/admissions/university

Registration

New students are required to enrol at the Registrar's Office and bring the documents listed in the Letter of Acceptance with them. The registration materials are available at the International Office. Exchange and visiting students of the University are encouraged to pay the voluntary membership fee of the Student Union of University of Tampere (58 € for one semester). On payment of this fee, students receive an official student card. As members of the Student Union, exchange and visiting students are entitled to use the services of

the Student Union as well as the student health care services. For international exchange and visiting students pursuing a PhD degree at their home universities, the voluntary membership fee is 24,50 € for one semester. PhD students are not entitled to travel discounts or to the student health care services.

Student Tutoring

At the University of Tampere, a student tutor is assigned to every international exchange and visiting student. The tutor is a fellow student who can help new exchange and visiting students with practicalities, such as finding their way to their accommodation and helping them plan their study schedule. A student tutor usually meets the arriving student at the railway station or bus station in the Centre of Tampere if she/he has been informed about the arrival a few days in advance. The contact information of the student tutor will be sent to the incoming exchange and visiting students after the application and acceptance process.

Study Guides in English

Study-related information in English is published at <https://www.uta.fi/opiskelunopas/en/>.

The ECTS Study Guide included in the ECTS Survival Guide gives a general review of the study system at the University of Tampere: www.uta.fi/admissions/admitted-students.

The ECTS Curricula Guide contains the course descriptions of study modules which can be completed in English or in another foreign language, see <https://www.uta.fi/opiskelunopas/en/essential-information/electronic-services-and-web-tools-students/curricula-guides>.

Please note that in addition to course units offered as contact teaching (lectures, seminars etc.), the Curricula Guide includes course units which students can complete independently (e.g. book exams).

The detailed teaching schedules are published at <https://www.uta.fi/opiskelunopas/en/essential-information/electronic-services-and-web-tools-students/teaching-schedules>.

Credits and Grading

Finnish credits are ECTS compatible, i.e. one Finnish credit (*opintopiste*) corresponds to one ECTS credit.

Grading of Exams

A 5-tier grading scale (5-1) is used at the University of Tampere. It is compatible with the ECTS grading scale (A-E). Furthermore, pass/fail (HYV/HYL) is used in course evaluation as such without grading to indicate that the student has fulfilled / not fulfilled the requirements set in the curriculum for the course.

Transcript of Academic Records

The transcripts of the exchange / visiting students will be sent to their home addresses in their home countries after the exchange period. The request needs to be made at the Registrar's Office of the University of Tampere before departure.

Student Housing

Finding suitable housing can be difficult especially in the autumn, so students need to be prompt in applying for accommodation. We have placed information on different options on the University website at <http://www.uta.fi/admissions/pre-arrival-information>.
